

Heard it through the grapevine

January is a great time to prune grape vines.

Join the UC Master Gardeners in our free hands-on January workshop and learn how to properly plant, grow and prune home grown grapes.

Saturday January 14, 10:00-11:30 am at the San Joaquin County Historical Museum (Micke Grove) Class is free with paid admission into Micke Grove Park.

Its very important that you RSVP for this hands-on class. We want to make sure we have enough volunteers for the pruning demo. Please wear clothes to work in the vineyard and bring along hand pruners if you have them. RSVP 331-2055 ASAP.
