

How to create a "Night Garden"

Join the UC Master Gardeners for this free class and learn how you can have a beautiful night garden. Night gardens, also known as twilight gardens, evening or moon gardens, are beautiful areas in your landscape that are designed to be enjoyed at night.

Saturday July 7th, 2012

10:30 am - 12:00 pm

Lodi Public Library 201 West Locust Street, Lodi, CA 95240
