

Do you have a yard
(front or back) that is
not only nice to look
at but has

sustainable gardening practices included?
Would you like to be part of our May 2014
garden tour? Do you know so someone that
has a yard that would be great for our tour?

We are looking for sustainable gardens for our 2014
Master Gardener Garden Tour.

If you answered yes to the above
questions we would love to hear
from you! Please contact Marcy
