

Soils, Composting and Fertilizers

with the San Joaquin UC Master Gardeners

November 11th 10:00 am - 11:30 am

Lodi Library - 201 W. Locust, Lodi

Do you want to improve your soil and have healthier plants? Have you ever thought about composting but don't know where to start? Does throwing kitchen waste away seem foolish when it can easily be turned into black gold for your garden? Are you concerned about the amount of green waste entering our landfills? Want to learn more about worm composting?
